

NEW! 2-SIDED DISPLAY TOWER

DISPLAY TOWER

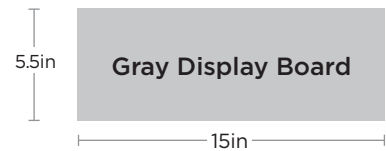

10 Boards per Side Including 3 New Collections and Top Selling Products

- Break up the "Sea of Sameness" in your showroom with our newly updated blue and white tower with gray boards.
- Enhance the shopping experience with quick and easy board removal. Simply lift and tilt bottom of panel towards you. No sliding boards in and out necessary.
- Offers an updated planogram which includes best selling collections along with new product offerings.
- Convenient locking bolt for when spinning the tower isn't an option.
- Can use as a stand-alone tower or in addition to an existing tower.

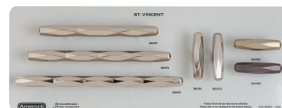

DISPLAY TYPE	DIMENSIONS
2-Sided Tower	23.5in DIA x 72.5in H with Locking Bolt

DISPLAY BOARDS

- Gray is the new neutral which better highlights our product!
- Gray boards are the same size as our previous maple ones for interchangeability and consistency.
- Ideally sized for consumer engagement.
