

# NEW! 4-SIDED DISPLAY TOWER

## DISPLAY TOWER

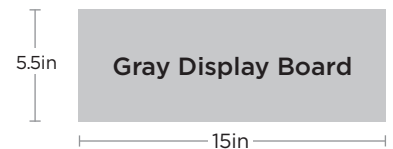

10 Boards per Side Including 3 New Collections and Top Selling Products

- Break up the "Sea of Sameness" in your showroom with our newly updated blue and white tower with gray boards.
- Offers an updated planogram assortment which includes best selling collections along with new product offerings.
- Enhance the shopping experience with quick and easy board removal. Simply lift and tilt bottom of panel towards you. No sliding boards in and out necessary.
- Can use as a stand-alone tower or in addition to a new 2-sided tower.

DISPLAY TYPE	DIMENSIONS
4-Sided Tower	26.25in DIA x 72.5in H

## DISPLAY BOARDS

- Gray is the new neutral which better highlights our product!
- Gray boards are the same size as our previous maple ones for interchangeability and consistency.
- Ideally sized for consumer engagement.
